Welcome to the registration guide for applying to the competition at phiportal.org. This guide offers essential information to help you navigate the registration process seamlessly.

Registration Process

Step 1: Visit the Registration Website

Go to the official KMT2024 registration website: <https://phiportal.org>

Step 2: Create an Account

Click on the "Sign Up" button to create your account.

Step 3: Complete the Registration Form

Fill in the required information in the form.

The screenshot shows the registration page for PHI Connections. At the top, there is a navigation bar with a close button (X), a back arrow (<), the logo "PHI CONNECTIONS", and a forward arrow (>) with a bookmark icon. Below the navigation bar, the page features a "Sign up" section with a blue circular profile icon and an "Upload" button. The "Sign in information" section includes a dropdown menu set to "I am a student", an "Email" input field, and a "Password" input field with a visibility toggle. The "Personal information" section contains "First name" and "Last name" input fields, and a date field set to "15-01-2023".

Double-check your information before clicking "Sign Up".

This close-up screenshot shows the "PHI Connections" header with the URL "phiportal.org". Below it, a location dropdown is set to "Nakhon Ratchasima" and a search field contains "Phi connections". The "Educational information" section includes a school name input field with "SAM ACADEMY", a grade level dropdown set to "International School: Grade 10", and a math problem input field containing "8+2" followed by "answer" and a refresh icon. A prominent blue "Sign up" button is at the bottom.
