TO SIGN UP

1 Create an Account

If you don't already have an account, Click on the "Sign Up" button to create your account. If you already have an account, simply log in.

2 Complete the Sign up process

Fill in the required information in the form. Double-check your information before clicking "Sign Up".

A screenshot of a "SIGN UP" form. At the top, there's a "SIGN UP" header and an "Upload Photo" button. Below the header, a dropdown menu is open, showing "I am a student" as the selected option, which is highlighted with a red box. The form is divided into sections: "Login Information" with fields for "Use email as username" and "Password"; "Personal Information" with fields for "First name", "Last name", "Date of birth" (set to 10-12-2024), and "Contact number"; and "Educational Information" with fields for "School name" and "Please select grade level --". At the bottom, there's a "Sign up" button and a "Log in" link for existing users.

If you would like to register two or more children, please create an account as a parent/teacher and add a 'New Child' during the registration process.

3 Email Verification

Check you inbox and enter the verification code to verify your email address.

A screenshot of an "Email Verification" page. It states: "A verification code has been sent to kangaroomath.thailand@gmail.com". Below this, it says: "Please check your inbox and enter the verification code below to verify your email address." There is a text input field labeled "Verification code" with a "Resend code" link next to it. At the bottom, there is a blue "Verify" button.
